## **People will talk about Master Lock Safety Solutions at NSC 2014**

**Featured guest speakers, daily grand prizes, new product  
introductions and new product sneak peeks**

(MILWAUKEE, WIS.) – September 11, 2014 – The Master Lock Safety Solutions™ booth (#2527) at the National Safety Congress & Expo will get attendees excited about safety with plenty of inspirational and informative speakers, daily grand prize activities, new services and an exclusive sneak preview of a brand new product. Attendees will not want to miss this booth at the 2014 NSC Expo, being held September 15-17 at the San Diego Convention Center.

Three featured speakers will be at the booth including Kina Repp, a recognized workplace safety advocate; Todd Grover, Master Lock Global Senior Manager for Applied Safety Solutions and a 30+ year compliance veteran in the safety industry; and Darcie DaSilva, FIELD iD Sales Manager. Kina will be telling her inspiring story of how she tragically lost her arm in a work related accident. Todd will talk about best practices for Lockout/Tagout, and Darcie will discuss how FIELD iD™ Safety Compliance software can improve safety efficiency in facilities.

Those who attend a speaker session will qualify for a chance to win the daily grand prize of a Master Grill Set and Rolling Cooler. All session attendees will receive a voucher good for one key and are asked to return to the booth at the time of the key drawing to try their luck at opening a group lock box. The participant whose key opens the lock box will be the grand prizewinner for the day. Drawings will be held at 3:45 on Sept. 15, at 3:15 on Sept. 16, and at 11:15 on Sept. 17. Visit [www.facebook.com/events/705873796159393](http://www.facebook.com/events/705873796159393) for more information.

The newest Master Lock products and services will be introduced and available at the booth, including the S440/S450 12- and 24-hole sliding safety hasps that are ideal for group Lockout situations. In addition, the debut of Professional Lockout Services will explain written lockout procedure writing, compliance training, and inspection and audits. With years of proven expertise in Lockout compliance, the Master Lock team of Lockout experts can ensure your facility is fully compliant through a systematic audit and visual Lockout procedure writing process.

Also at the Master Lock Safety Solutions booth, you can be among the first to see the exclusive sneak peek of the new Master Lock Confined Space Covers that are designed to efficiently and effectively protect employees from the dangers of confined spaces. These covers are very easy to use and available in various styles and sizes. Stop by the booth to get more information on how to protect against unauthorized entry with this best practice solution.
